Words and Music: Ashley Self, 2015

D G D
God is my refuge and strength.
D G (A) D
I will not fear, though the earth give way.
G D
When the mountains fall into the sea,
A Bm
He is there to rescue me;
G A D
God is my refuge and strength.

D G D
God is a river of life,
D G D
Who's streams make glad my heart.
G D
In the mornings, I will sing His praise,
A Bm
In the evenings, by His grace;
G A D
God is a river of life.

G D
And His voice cries out, and the kingdoms fall,
A Bm
But He says, "Be still, for I am God."
G D
He will not be moved, though the nations rage;
A G D
I will exalt His name forever.

God is my Savior and King.
He makes the battles cease.
By the work of His hands, I am made clean;
By His blood, I am redeemed;
God is my Savior and King.
